

Campagna Kids Inclement Weather Policy

All Campagna Kids sites follow the same schedule as Alexandria City Public Schools with respect to emergency closings, delayed openings, and early closings.

Campagna Kids parents must pay attention to the local radio and television stations on days in which weather or other conditions might affect opening and or closing times for Campagna Kids. Weather-related closings and schedule changes are announced starting at 6:00 a.m. on local radio and television stations, as well as on the ACPS Web site and the ACPS Information Hotline (703-866-5300).
