campagna center

EARLY CHILDHOOD • WRIGHT TO READ • CAMPAGNA KIDS

BUILDING BETTER FUTURES • NEW NEIGHBORS

2025–2026

PROGRAM HIGHLIGHTS

1,973 Alexandria residents served in the 2025–2026 school year

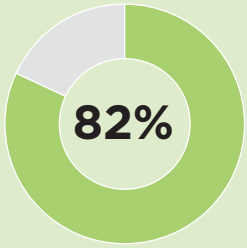

EARLY CHILDHOOD PROGRAMS

491 Pregnant women and children served

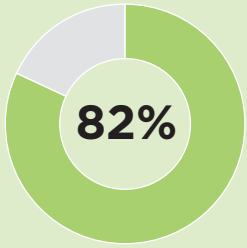

Children's progress is tracked in six development domains

- Social Emotional
- Physical
- Language
- Cognitive
- Literacy
- Mathematics

Early childhood students are meeting developmental expectations by the end of the school year

82% of children in **Early Head Start** met or exceeded developmental expectations, on average across all domains.

82% of children in **Head Start** and Virginia Preschool Initiative (VPI) met or exceeded developmental expectations, on average across all domains.

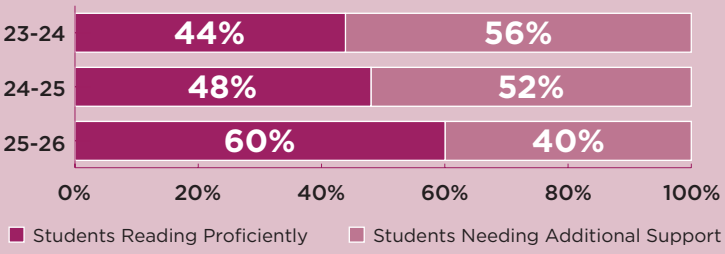

Nearly 64% of students in our Head Start and Early Head Start programs were Dual Language Learners, meaning English is not their primary language.

SCHOOL-AGED PROGRAM

WRIGHT TO READ **160** Students served

+5% from last year

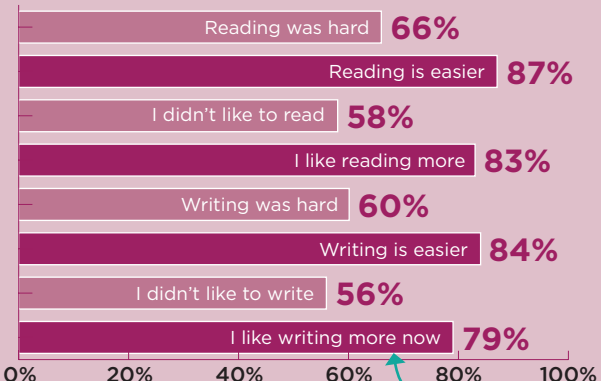

Student Reading Skills Improve Year Over Year

Among 82 students who joined Wright to Read in 2023–2024, only 44% were reading at or above grade level when they joined the program. By the end of the 2025–2026 school year, 60% of these students were reading at or above grade level, and an additional 16% were reading within one grade level.

Of the 112 active students with two assessments, 99% of them made measurable progress on their reading skills or had already reached grade-level proficiency.

What Students* Say About WTR

+11% from last year

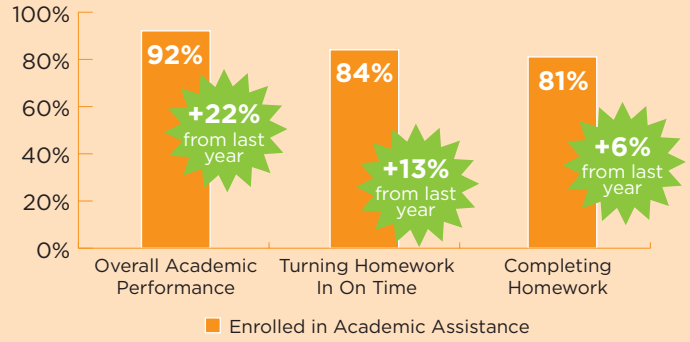

*69 Student Survey Responses (43% response rate)

OUT-OF-SCHOOL TIME PROGRAMS
